SITTING DOWN WITH RAINE STOREY

24.05.22

Ahead of our Summer Champagne Design & Interiors Networking Reception, Abode2 learns a little bit more about ARX's current artist-in-residence, Raine Storey, and gets to know the person behind the paint

Canadian born artist Raine Storey is currently working out of her London, UK, studio. Educated at Queen's University of Canada, she moved to England to follow in her Grandfather's artistic footsteps. Storey's work is known for its emotionally deep subject matter with intellectually clever compositions. She believes humour is one of the most beautiful characteristics, where the art of omission is just as important as articulation. Storey seeks to facilitate a jovial dialogue between the viewer and her artworks.
