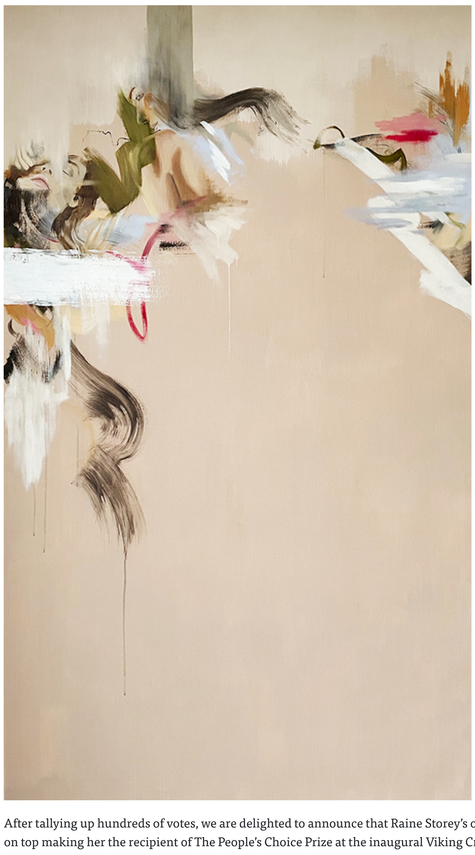
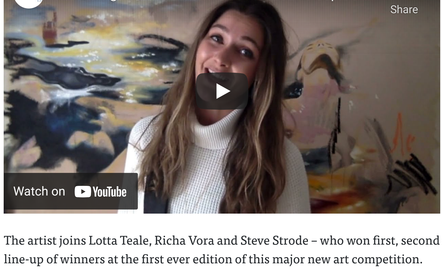
Raine Storey has been awarded The People's Choice Prize at the 2021 Viking Cruises British Art Prize after receiving the most votes for her artwork Pink Cloud



After tallying up hundreds of votes, we are delighted to announce that Raine Storey's oil artwork, *Pink Cloud*, came out on top making her the recipient of The People's Choice Prize at the inaugural Viking Cruises British Art Prize.

This fourth and final award provided the chance for you to vote for your favourite from the top 50 artworks shortlisted by our judging panel.

Not only has Raine been named The People's Choice Prize 2021 winner, but she also been awarded a £1,000 voucher to spend on art materials at Zieler, the family-run art supplies company. Hear what the artist has to say about winning the award in the video below.



The artist joins Lotta Teale, Richa Vora and Steve Strode – who won first, second and third prize respectively – in the line-up of winners at the first ever edition of this major new art competition.

More about these artists selected by our expert panel of judges can be found in the July issue of *Artists & Illustrators*.
